## Employee Disability Accommodation Request

The **Disability Accommodation Request (DAR)** must be used when an employee seeks a workplace accommodation due to a documented disability. To make a request for accommodation, an employee must:

- Complete this DAR form and return it to University Human Resources or Accommodations Coordinator
- Also complete Section 1 of the Documentation of Disability form (separate form) and have the physician or care provider complete Section 2. Then submit both forms to ***University Human Resources Employee & Labor Relations Office, 3210 Beardshear, Ames, IA 50011*** or via facsimile at ***515-294-1702***. Questions may be directed to ***515-294-3753***.
- Provide a copy of the employee's job description to the physician or care provider. The employee's supervisor or University Human Resources Employee & Labor Relations can assist the employee.

The **DAR** and Documentation of Disability forms are necessary to initiate a request for accommodation —available online at: <https://www.hr.iastate.edu/tools-for-employees/workplace-accommodations>. If, after receiving all of the documentation, ISU concludes the employee is eligible, the Leave and Accommodations Coordinator will make a final decision on behalf of the university.

The DAR process covers accommodations made for an employee's health condition, including pregnancy.
