

## Use Express Scripts Home Delivery Pharmacy!

**Enjoy convenient mail order for your prescriptions. You will find this service safe, secure and with a cost savings!**

If you take prescription medication on an ongoing basis, your prescription drug plan may allow you, for chronic conditions, to order prescriptions from Express Scripts home delivery pharmacy. Once you start, you can refill and renew your prescriptions right at the Express Scripts site and benefit from free standard shipping.

Take advantage of prescription home delivery service, which offers you the ultimate in ease and convenience when purchasing prescriptions.

- Ask your doctor if your prescription can be written for a 90-day supply (plan's home delivery limit) with refills when appropriate instead of 30-day supply with refills.
- It is important to ask for a 90-day supply, as opposed to a 30-day supply, in order to receive up to 90 days of medication for one home delivery co-payment. Please note that you will be charged a home delivery co-payment regardless of the number of days' supply written on the prescription, so make sure your doctor has written the prescription for 90 days.

Please note that the actual quantity and/or days' supply may vary for each drug. Your doctor's instructions on how to take the medication, state and federal dispensing guidelines, or how the medication is packaged may impact the quantity and/or days' supply you can receive.
